4. **PROCEDURES:**
   
   a. Visiting Schedule:
      
      The following schedule will be utilized for inmates with social visits at FCI Mendota and the Camp:
      
      Saturday 8:15 a.m. to 3:00 p.m.
      Sunday 8:15 a.m. to 3:00 p.m.
      Federal Holidays 8:15 a.m. to 3:00 p.m.
Social visitors will not be processed before 8:00 a.m. or after 2:00 p.m. on visiting days.

b. Visitor Parking:

The FCI and Camp have designated visitor parking. Visitors must use the designated parking for the institution they are visiting. Large vehicles (e.g., campers, mobile recreational vehicles, tractor trailers) are prohibited from being parked in the institution parking lot at any time.

c. Frequency of Visits and Number of Visitors:

Inmates will be limited to six (6) approved visitors at one time, excluding infant children remaining on a person’s lap. Ordinarily, inmates will have unlimited visiting privileges during regular scheduled visiting times.

Should the Visiting Room reach full capacity, the Visiting Room Officer will advise the Operations Lieutenant and the Institution Duty Officer (IDO) of the situation. The IDO will have the authority to curtail or terminate visits. Should it become necessary to curtail visits due to overcrowding, a maximum two-hour visit will be implemented. The IDO will begin curtailing visits first by volunteers, secondly by visitors who live in closest proximity to the institution, and third by those who visit most frequently.

d. Visitors Entering the Institution:

(1) Staff must be able to verify the identity of visitors (over the age of 16) prior to admission into the institution. One of the following forms of identification will be required for identification purposes: valid driver’s license, valid state or federal identification card, or a valid passport. Any identification which is altered, forged or expired is not a valid form of identification and will not be accepted. Check cashing cards and other easily produced forms of identification are not appropriate.

(2) Staff may require a visitor to submit to a personal search. This includes any items of personal property as a condition of allowing or continuing a visit. Items of personal property may be required to be returned to the visitor’s vehicle prior to entering the institution or stored in a visitor’s locker. The visitor will be responsible for maintaining constant possession of the locker key. If a visitor was
dropped off and does not have a vehicle, items not permitted into the visiting room will be disposed of, or visitation will be denied. Refusal to allow staff to search the items will result in the visit being denied. Visitors will be allowed to wear religious headwear only after it has been searched.

(3) All inmate visitors, with the exception of children under the age of 16, will be required to sign the log book at the Front Lobby Officer’s desk. Visitors, with the exception of Federal, State and Local Law Enforcement Officials, Members of Congress and the Judiciary, will be required to complete a Notification of Visitor Form. All visitors and their personal items entering the institution will pass through the metal detection device.

Processing of visitors will proceed by stamping the visitor’s hand and verifying the stamp is visible with the black light wand.

Visitors with surgically implanted metal plates, pins, or pacemakers, etc., will need to supply medical documentation of these items prior to entering into the institution. If a visitor has appropriate documentation of a medical condition which would prevent him/her from clearing the metal detection device, the Operations Lieutenant and the IDO will be notified.

No recording devices of any kind will be permitted in the Administration Building or the institution. The items will be returned to the visitor’s secured vehicle.

Medication is not allowed unless it is life supportive to the visitor. Only the exact dosage during the time he/she will be visiting will be permitted. Prior to allowing the medicine into the institution, the Front Lobby Officer will contact a member of the Health Services staff to determine if the medicine is necessary. If the medication must be retained by the visitor, the Front Lobby Officer will advise the Visiting Room Officer the visitor has medication. The Visiting Room Officer will keep the medication until it is used.

If for any reason a visitor is denied entrance to the facility, Visitor Denied Entrance to Visiting Room
form (Attachment B), will be completed and forwarded per distribution noted on the form.

(5) **Lockers:**

Metal lockers located in the Visiting Room waiting area will be provided for the visitors needing to secure items they brought to the institution which are prohibited in the Visiting Room. The lockers are coin operated. The locker requires all items be placed in the locker first. A coin is deposited in the coin slot of the locker. The key to the locker is turned
and removed from the locker. The locker is now locked. The Front Entrance Officer will annotate the locker number on the Notification of Visitor form. The key will be retained by the visitor. All coats, hats, jackets, personal keys, cell phones and billfolds must be stored in the lockers. No unopened parcels will be permitted in the Visiting Room. Purses, packages and toys will not be permitted in the institution. Social visitors are not authorized to bring anything to give or show the inmate.

(6) APPROVED DRESS CODE - Visiting Attire:

All visitors will be dressed in an appropriate manner. Any visitor who arrives provocatively or inappropriately dressed will be denied the privilege of visiting. Inmates will inform visitors, prior to visiting, that clothing MUST be appropriate for an institution setting and should not demonstrate disrespect to others who may be present in the visiting room. The Control Room Officer will verify the visitor's stamp via the black light wand before permitting entrance into the secured perimeter of the institution. Upon entry, the Visiting Room Officer will also verify the visitor's stamp via the black light wand.

Upon completion of the visit, the inmate and visitor will report to the Visiting Room Officer. The inmate must be positively identified. e. Visiting Attire (Inmate):

Inmates will wear only institutional issued clothing items issued from the Laundry.

Inmates may carry the following items into the Visiting Room area:

1. Identification card
2. One wedding band (no stone)
3. One approved religious medal (with chain)
4. Prescription eyeglasses (no case)
5. Life sustaining medication (officer will maintain during the visit)

All searches will be annotated in the visual search log book. Inmates will not be permitted to return with any items other than those documented as being brought into the Visiting Room. Pat searches will be conducted on Camp inmates. It is recommended a minimum of 10% be visually searched after visitation at the Camp. All inmates will remain properly dressed while in the Visiting Room, to include having their shirts tucked in.

f. Inmate and Visitor Conduct within Visiting Room:

Inappropriate conduct during a visit may result in the termination of the visit.

All inmate visitors arriving in the Visiting Room will report to the Visiting Room Officer for processing. All seating in the Visiting Room will be assigned by the Visiting Room Officer. It is the responsibility of the inmate to ensure all visits are conducted in a quiet, orderly, and dignified manner.

Inmates entering the Visiting Room will report to the Visiting Room Officer and check in. Inmates and visitors are not allowed to move freely inside the visiting area. The vending machines and surrounding area are off limits to inmates at all times. Only visitors may utilize the vending area, then return to their seat.

All food items purchased from the vending machines must be consumed prior to visitors departing the visiting room. Inmates are not authorized to share food or drinks with visitors. Inmates are not allowed to take any food items back to their housing unit.
Physical contact between the inmate and his visitor(s) will be limited to an embrace and kiss upon the initial arrival, and again at the completion of the visit. Any unauthorized embracing or contact may result in termination of the visit.

A female visitor may breastfeed her child in the Visiting Room during social visiting hours. It is expected the female visitor will use appropriate discretion while breastfeeding her child in the Visiting Room. At a minimum, the female visitor will drape her child and chest with clothing so there is minimal chance of an exposed breast. However, if the breastfeeding is conducted in a manner which is disruptive to other inmates or visitors, or is facilitating conduct prohibited under the Inmate Discipline Program, the visit will be terminated and further actions may be taken.

Any violation of the institution's visiting procedures may result in termination of the visit and/or disciplinary action. The IDO has the authority to terminate a visit or deny entry of unauthorized and pre-approved visitor.

A visitor leaving the approved visiting area for any reason, may result in the termination of the visit.

g. Special Rules for Children:

Inmates in the visiting room are responsible for the conduct of their children. Inmates are expected to supervise the children visiting them so they do not disturb other inmates and/or visitors, or disrupt the safety and security of the institution. Should an inmate fail to properly supervise their children, this may result in termination of the visit.

The visiting rooms are equipped with games and other related children's activities. These items are to be stored in a designated room in both the FCT and the Camp Visiting Rooms. Inmates are prohibited from entering these rooms. Only visitors may access these rooms. Inmates who enter these rooms may result in termination of their visit.

h. Visits to Offenders not in the General Population:

(1) Hospital Patients:

Visits for inmates hospitalized in the community will be approved by the Warden or his/her designee. This
will normally be limited to immediate family members. All visits will be subject to the general visiting policy of the hospital. An approved visiting list will be forwarded by the inmate’s Unit Team, through the Captain, and will be maintained by the hospital officer(s). When a visit is denied because the inmate is suffering from an infectious disease, is in a psychotic or emotional episode which makes a visit inadvisable, or is otherwise not in a condition to see visitors, the situation is to be carefully and sensitively explained to the approved visitor by the inmates Unit Team.

(2) Special Housing Unit (SHU):

The Operations Lieutenant will be notified when an inmate in SHU has a visit. Each case will be handled on an individual basis.

Special Housing inmate visits will be limited to two (2) hours a day. Visiting for inmates assigned to the SHU will be conducted on the same days and times as general population inmates. All SHU visits will take place in the designated area closest to the Officer’s station.

Non-contact visits will be determined on a case by case basis and approved by the Warden or his/her designee. These visits will ordinarily be allowed during normal visiting hours.

**SHU inmates will be escorted to the search room from SHU in hand restraints from behind. Once an inmate is placed in the FCI search room and the door is secured, the restraints will be removed. At the completion of the visit, the restraints will be re-applied prior to the opening of the search room door.**

(3) Admission and Holdover Status:

The Warden may limit visitation to the immediate family of the inmate during the admission-orientation period or for holdovers where the holdover status is significantly longer than expected. A visiting list from a former institution will be referenced prior to visitation approval. Time frame for approval of the visiting list for holdover inmates is fifteen working days.
i. Preparation of the Visiting List:

(1) Upon admission, each inmate will be provided a Visitor Information Questionnaire (BPS-629.052) and Visitor Information Handout. The signature of a parent or legal guardian on the Visitor Information Form (BP-629) is necessary to process a request for an applicant under 18 years of age. The questionnaire is to be completed and returned to the Unit Counselor for final approval. The inmate will be required to mail the same to the proposed visitor(s), unless otherwise indigent. The Unit Counselor will forward the Visitor Information Form with a signed release authorization form at government expense for any inmate found to be indigent. The Visitor Information Form and a Release Authorization Form must be returned to the Unit Counselor by the proposed visitor prior to any further action concerning the visit. Upon receipt of the completed authorization form, the Unit Counselor will initiate a National Crime Information Center (NCIC) inquiry. If the NCIC reveals a questionable conviction by a proposed visitor, the documentation should be utilized for administrative review. NCIC inquiries which result in denial of visitation will be retained in the Freedom of Information section of the inmate’s Central File with the Visitor’s Information Sheet. It is the inmate’s responsibility to notify the visitor(s) of their approval/disapproval, and to advise the visitor of visiting regulations.

(2) The Unit Team members will be responsible for placing a visitor on an inmate’s approved visiting list, and a hard copy of the visiting list will be placed in the inmate’s Central File. The Unit Counselor will notify the inmate of those visitors who have been approved. Each proposed visitor with a prior criminal conviction will be reviewed by the Unit Manager. The Unit Manager will forward a recommendation to the Warden for final decision in granting visiting privileges. The Captain will be notified by the Unit Manager in writing, of all such cases which are proposed. The proposed visitor will be denied should it be determined the inmate did not know the proposed visitor prior to incarceration. The Unit Manager will review all such cases. Exceptions to this rule may be considered by the Unit Manager and forwarded to the Warden for approval.
(3) The Unit Counselor will periodically review the visiting list to ensure it is accurate. The list may be amended at any time by the inmate's submission of an Inmate Request to Staff Member Form or during his Unit Team Review, indicating the desired change.

j. Regular Visitors:

(1) **Members of the Immediate Family:**

This category includes mother, father, step-parents, foster parents, brothers, sisters, spouse, and children. These individuals are to be placed on the visiting list if identified in the inmate's Pre-Sentence Investigation and upon completion of an NCIC check. However, the inmate will initiate the visitor Information Form, and the form must be returned to the Unit Counselor before the NCIC check is initiated.

(2) **Other Relatives:**

This includes grandparents, uncles, aunts, in-laws, and cousins. They can be placed on the approved visitation list if the inmate requests to have visits from them regularly and if there is no reason to exclude them. They are required to complete a Visitor Information Form and receive a completed NCIC check.

(3) **Friends and Associates:**

Visiting privileges shall ordinarily be extended to friends and associates having an established relationship prior to confinement, unless such visits could reasonably create a threat to the security and good order of the institution. These individuals may be placed on the visiting list if identified in the inmate's Pre-Sentence Investigation and upon completion of an NCIC check. The Warden must approve any exception to this requirement.

k. **Special Visits Requirements:**

Special Visits: The Unit Manager is responsible for arranging special visits. Special visits will be submitted via memorandum to the Captain, explaining the reason for the additional visitors and ordinarily for one day. Ordinarily, special visits will take place in the visiting room during regular visiting hours, and be supervised by the Visiting Room Officer.

1. **Professional Visit (Law Enforcement) Requirements:**

   Requested visitation from a law enforcement agency, will be approved and arranged by the SIS Lieutenant or Captain. United States Probation Officers and Mental Health Professionals performing court-ordered examinations will receive priority when processing. This visitation will be approved and arranged through the inmates Unit Team. All visits will be arranged during normal business hours. If approved, a memorandum authorizing the visit will be distributed to the Lieutenant’s Office, Control Center, Front Entrance Officer, and Visiting Room.

m. **Attorney Visitation Requirements:**

   Attorneys representing a designated inmate client will be arranged and approved through the Unit Team. Requests should be called or mailed, at least twenty-four (24) hours prior to the proposed visit. Unit Team will be responsible for visually monitoring the visit. With prior Unit Team approval, inmates may be allowed to bring legal material into the visiting room for a legal visit only. This material will be inspected for contraband. Legal material given to the inmate during the attorney visit will be inspected by the Unit Team member for contraband and allowed to be retained by the inmate.

n. **Consular Visits:**

   All non-United States citizens are encouraged to maintain contact with their foreign consulate. Consulate visits will be arranged and approved by the inmate’s Unit Team.

o. **Media Visits:**

   Media visits will be coordinated by the Executive Assistant/Public Information Officer.
p. Non-Smoking Area:

The entire Visiting Room and the attorney Visiting Rooms are designated as non-smoking areas.

q. Method by Which Visiting Guidelines Will be Available to Visitors:

Visiting guidelines will be available to visitors in the lobby and/or the visitor intake processing area. Guidelines (See attachment A) will also be available to the inmates in their respected housing units via their Unit Team and on http://www.bop.gov/locations/institutions/men/index.jsp. These guidelines will be allowed to be mailed out by the inmates to their visitors. The guidelines include the institution address, institution phone number, local transportation, and directions to the FCI and the Camp.

r. Procedures for a Back-Up System to the Computer Visiting Program:

As a back-up to the computerized system, official inmate visiting lists shall be maintained in the Lieutenant’s Office. The records shall be in alphabetical order by the inmate’s last name and kept in a binder.

The Captain’s Secretary will maintain and audit the inmate visiting lists. Any inmate who has transferred or been released will be removed from the binder. Unit team will supply the Captain’s Secretary with an updated inmate visiting list whenever an inmate adds to or deletes a visitor.

s. Reinstatement of Visiting Privileges:

Only the Warden can reinstate a suspended individual to an inmate’s visiting list. The Unit Manager will prepare a memorandum through the Captain, Associate Warden, to the Warden, enumerating the specific reasons for reinstating the individual to the approved visiting list.
